THE WORLD
IS SMALLER
THAN YOU THINK

On average, each of us has 8 to 15 people whom God has supernaturally and strategically placed in our relational world so that he might use us to show them His love. The Greeks used one word to describe this personal world—OIKOS, or extended world.

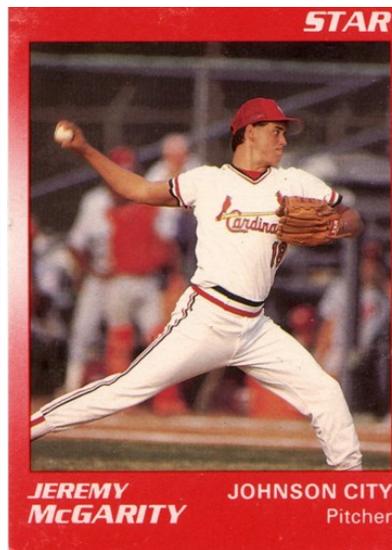

OIKOS is not a program. It is not an event. It is not an emphasis. The OIKOS principle is the heartbeat of Christ's Church. Jesus designed it, modeled it, and taught us how to use it.

At District Assembly in July, Dr. Pate gave each pastor a copy of "8 to 15: The World Is Smaller Than You Think." Whether you read the book or not, OIKOS has been around for 2,000 years....yet it is fresh and relevant.

Bring a group of people from your church for this great training session. Please contact Ella Boady for more information—dhboady@gmail.com or 812.275.7170. Call us and let us know you are going to attend.

OIKOS Training

Come learn how to apply the OIKOS principle in your life and your church. Jeremy McGarity will be leading the training. A free continental breakfast will be served from 8:15—9 AM. Plan now to attend. You will not want to miss this free training.

Jeremy McGarity was drafted by the St. Louis Cardinals in 1989. He spent 10 years playing minor league baseball with the Cardinals, Rockies, Rangers and the Duluth Dukes. An organization called Baseball Chapel helped lead him to the Lord in 1991. After a career-ending shoulder injury Jeremy sensed God calling him to ministry.

In 2008, along with a team of leaders, Jeremy launched a new church in San Diego County, California. The church has grown to over 1,000 in five years. Jeremy's mission is to reach lost people and help believers take that next step of faith. Jeremy will be teaching the principles behind OIKOS and how to utilize it in your life and your church.

DON'T MISS IT!!!
